

誰れにしも 恋の訪れ 春の夜に

古も今も タイムワープさむかし

令和七年三月三十日

大中臣正比呂

Everybody loves somebody
sometime
Everybody falls in love somehow
Something in your kiss just told
me
(That) My sometime is now

Everybody finds somebody
someplace
There's no telling where love
may appear
Something in my heart keeps
saying
(That) My someplace is here

If I had it in my power
I'd arrange for every girl to
have your charm
Then every minute, every hour
Every boy would find what I've
found in your arms

Everybody loves somebody
sometime
And although my dream was
overdue
Your love made it well worth
waiting
For someone like you
